### Contents

This document contains optional worksheets for the following activities in [All About® Spelling Level 7](#).

- Spell on Paper
- Dictate Sentences
- Writing Station

### How to Print

- **Single-sided only**
  - Print pages 3-88.
- **Double-sided (using a duplex printer)**
  - First print pages 3-60 with your printer in duplex mode, flipping pages on the long edge.
  - Then print pages 61-88 in regular (single-sided) mode.
- **Both methods**
  - After printing move the Writing Station pages to their lesson locations.

### A Note About Scheduling

I use a pencil to draw lines in my teacher's manual to break each step into days of teaching that generally take about 15-20 minutes. Some days combine several activities listed below.

- Review: daily
- New Teaching: 1-2 days
- Spell on Paper: 1 day
- Dictate Sentences: spread out during the step (e.g., 3-4 sentences per day for a 3-day step)
- Writing Station: 1 day

In our homeschool, we generally cover one lesson per week and one level of [All About® Spelling](#) per year. We begin Level 1 in the 1<sup>st</sup> grade and complete the All About® Spelling program in 7<sup>th</sup> grade. Although this is the case in our family, students can begin Level 1 in any grade and, with the aid of their teacher, work through the levels at their own pace.

*The number of days listed above for each lesson is only a suggestion based on our personal homeschool. Your student may move at a faster or slower pace. I use this page as a quick reference when planning out my school week.*

*The All About® Homophones workbook ([print](#) | [ebook](#)) is completely optional. I purchased the digital version and print the corresponding worksheet when one is available for a set of homophones. Not all homophones covered in All About® Spelling have corresponding worksheets. Levels 3-5 include many more homophones than Levels 6-7.*
